

Instructions

Put the envelope under their door or in an obvious place. "Don't forget to take out the trash." Feel free to do more than one apartment but don't knock on the door at 6 am with a trash reminder (creepy).

My Trash Day

I don't know if you have heard of the Hope Epidemic yet, but I wanted to share a little with you. Don't you just hate trash days? Wouldn't it be great if you put your trash outside your door and it was gone in the morning. Well tomorrow is my trash day and I'd like to spread a little hope by bringing your trash out tomorrow. Just set it out tonight and I'll take care of it.

Hope Epidemic offers ways for people to give acts of hope. To be a part or to share your story, check out hopeepidemic.com
